

FROM FAIN & LAURA AT TRAVEL SPREE

Hi, Airalo.

In November we're crossing four countries in two weeks.

A river cruise through Germany and Austria to Budapest, then Paris.

OCTOBER 2026

And one of our viewers' top questions: how do you stay connected?

We'd love to answer it with Airalo.

THE IDEA

Four countries. One eSIM.

We set up Airalo at home before we fly, land with data in Munich, and stay connected from the river to Paris. Then we show viewers exactly how it worked, and what it cost us.

HOW IT COMES TO LIFE

Set it up. Land. Stay connected.

Set it up

Installing the eSIM at home, on camera, in a few minutes.

Land

Data on before the plane reaches the gate.

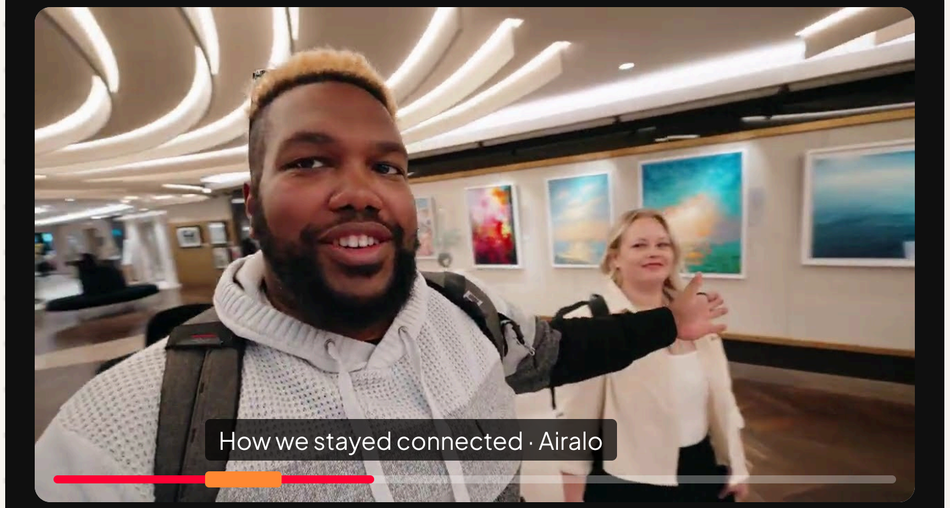

Stay connected

Maps, messages and uploads across every border.

WHERE IT LIVES
