Hi,
BagSmart.

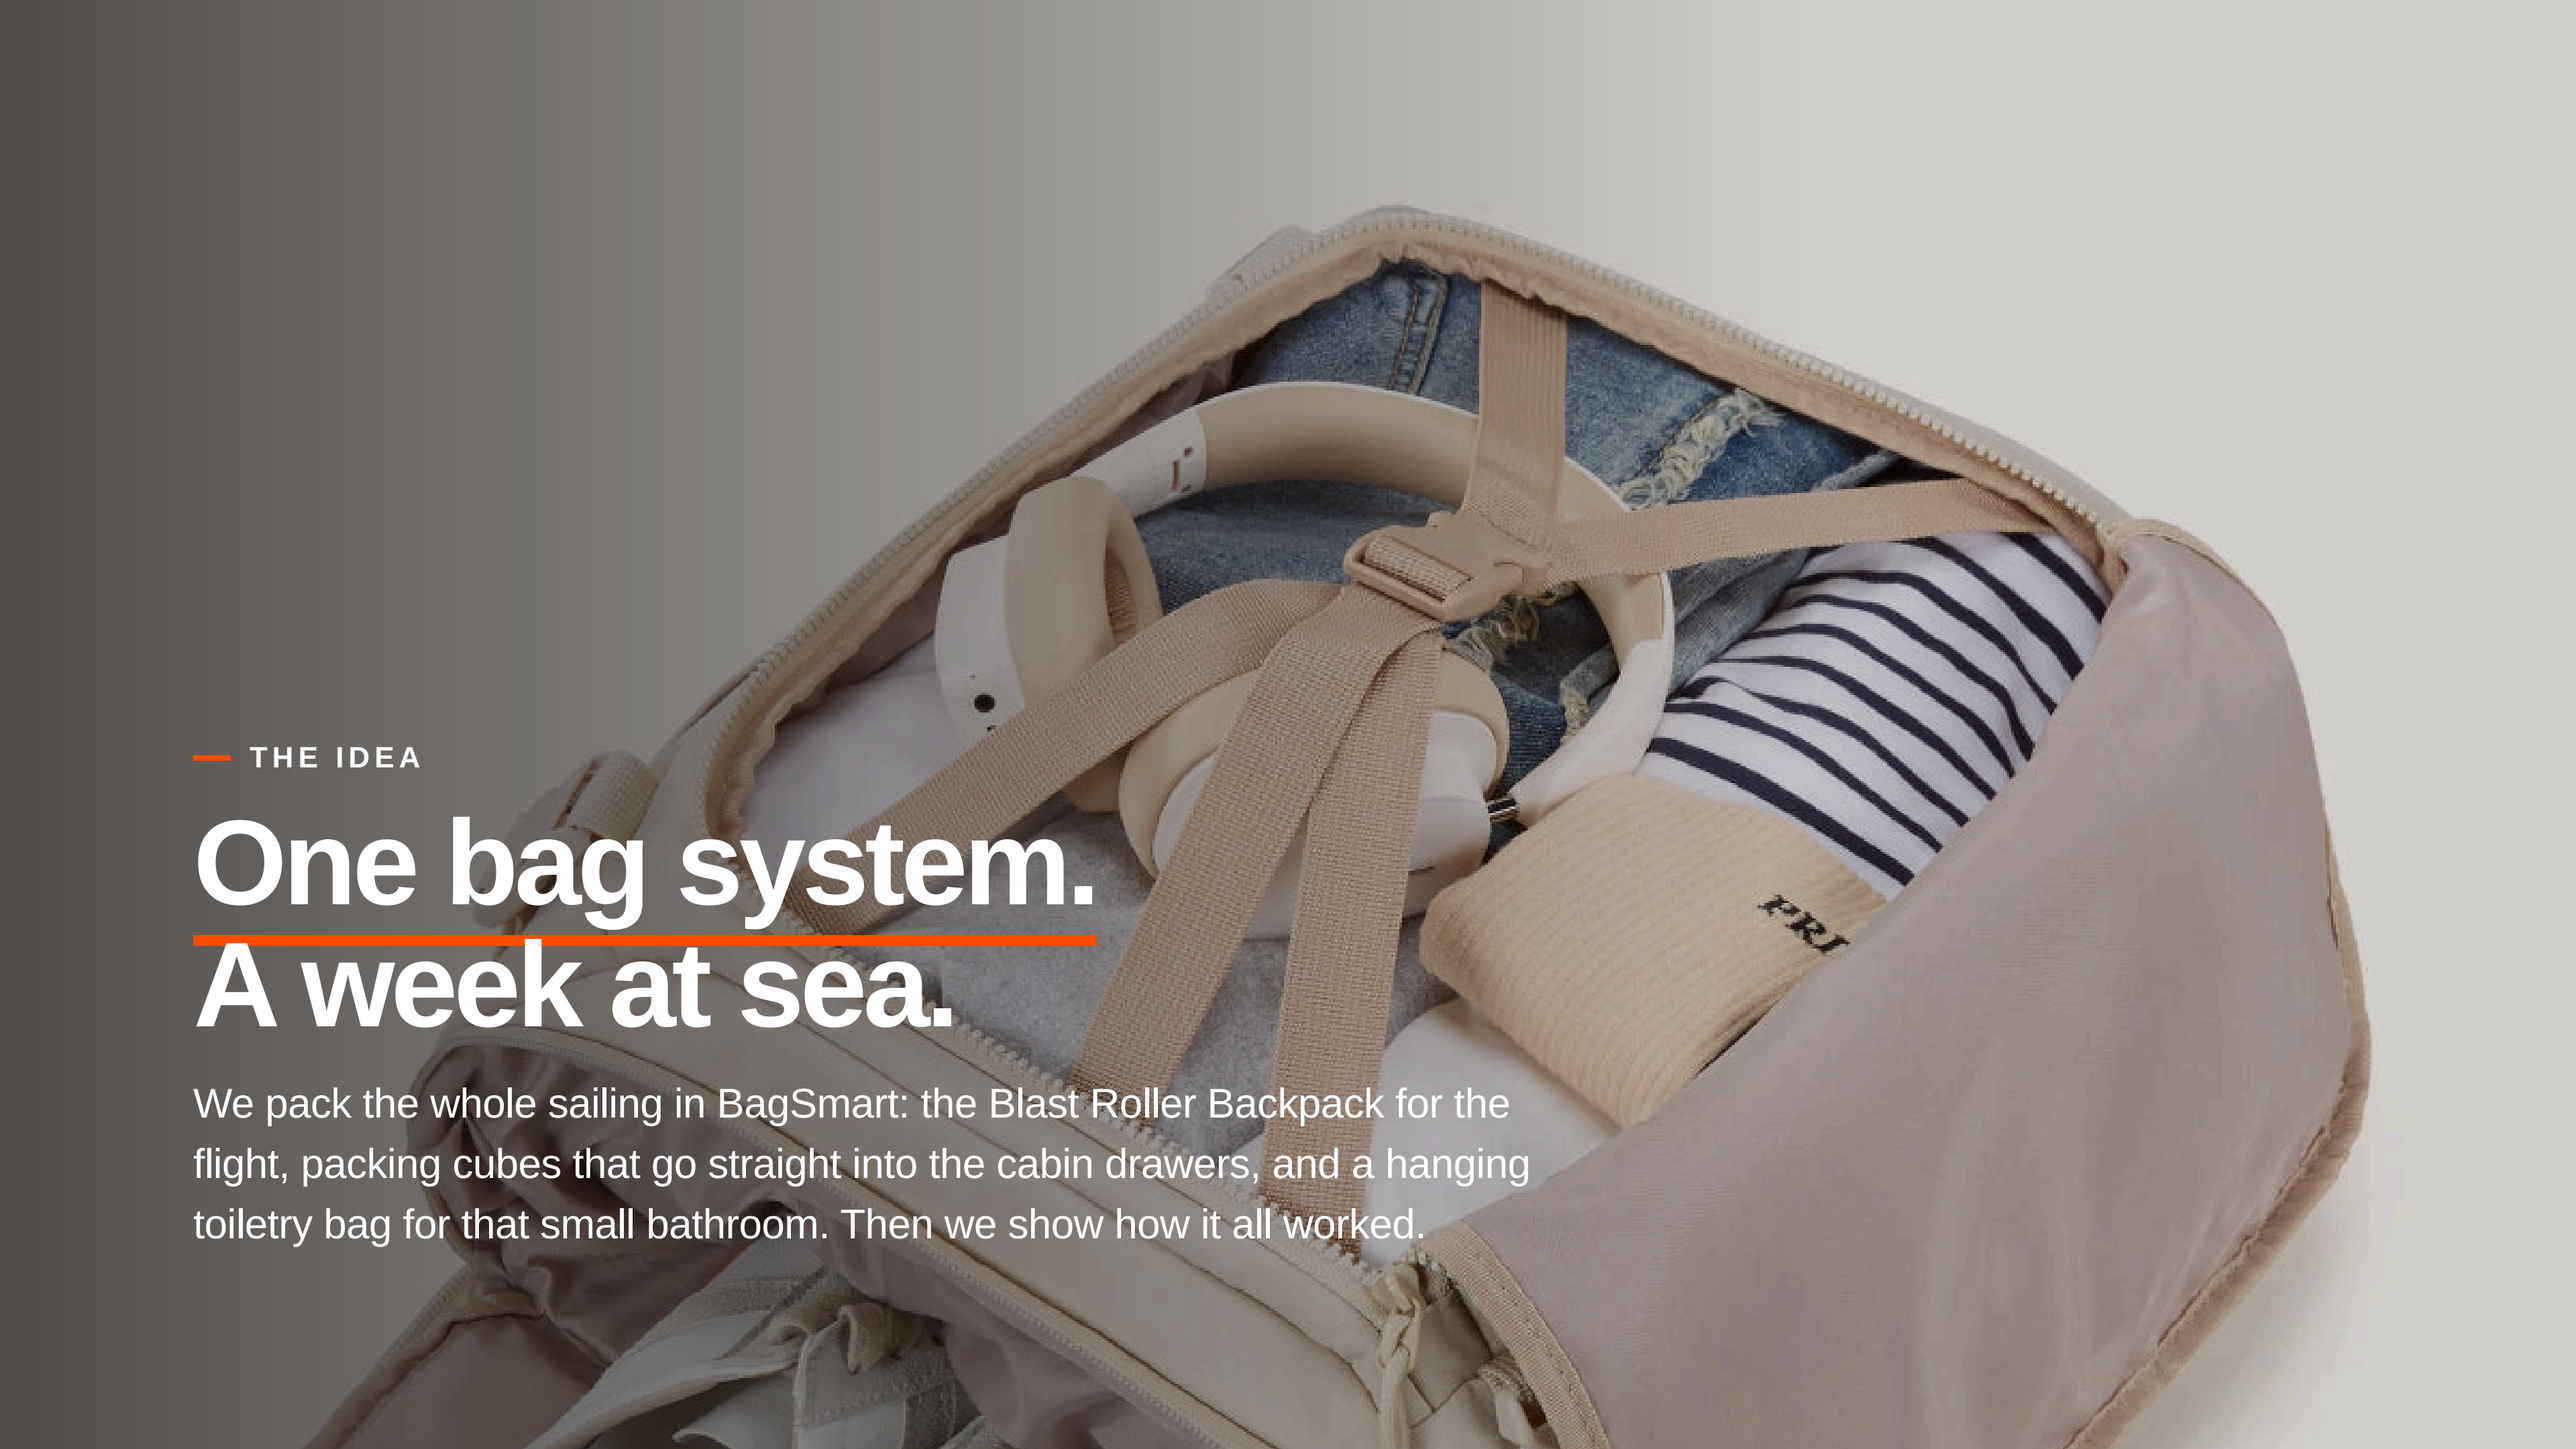

From Fain & Laura at Travel Spree

In late January we spend a week at sea with Oceania.

Those episodes go live every Saturday from March 6 to April 3, right as people pack for spring and summer trips.

A cruise cabin has a closet, a few drawers and a very small bathroom.

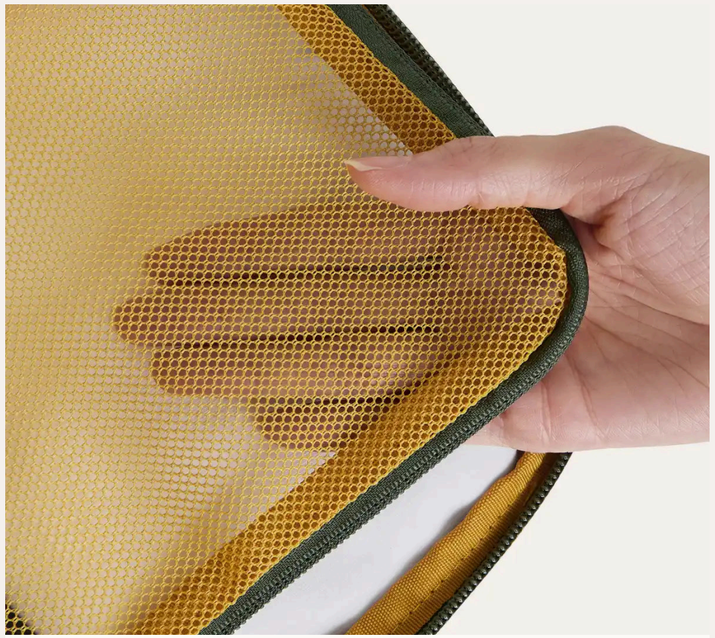

— THE IDEA

One bag system. A week at sea.

We pack the whole sailing in BagSmart: the Blast Roller Backpack for the flight, packing cubes that go straight into the cabin drawers, and a hanging toiletry bag for that small bathroom. Then we show how it all worked.

HOW IT COMES TO LIFE

Pack it. Unpack it. Grade it.

PACK IT

A week of clothes in cubes, on camera at home.

UNPACK IT

Cubes into drawers, toiletries on the hook, done in minutes.

GRADE IT

The honest answer at the end: what we'd pack again.
